EDITOR'S WORDS BY GLORIA JEAN WOODARD

SPECIAL MOMENTS: There are special moments when God allows us to touch someone's life with the Gospel of Jesus Christ and they accept. He causes us to be in that moment, because someone needs Him, and as born again Christians, we are to tell them about the death, burial and the resurrection of Jesus Christ.

Most churches have 'Orientation' or 'New Members' class when joining their congregation to give them a quick jolt of church life. And after the class, are we prepared to lead someone to Christ? All we have at that time is our testimony of how God has changed our lives through accepting Jesus Christ. That's the most important purpose we have here on earth, pointing someone to Christ! We also have to get to the point where being rejected for doing what God wants us to do, does not leave a mark

(of fear), when they **don't** want to hear.

It's good to learn the verses that are taught. Believe me, all the cults and Muslims know their bible and will quote the scriptures back to you. But as Christians some of us are lapse in that area. Why is that?

The scriptures must become apart of us like drinking water or eating food. They are no good on the pages. The Word has to be in us. The bible says "*In the beginning was the Word and the Word was with God and the Word was God. And the Word was made flesh and dwelt among us...*" [John 1:1, 14]. We can't displace God and the Word to be in different places, but to be in full relationship with each other by being One. The manifestation of you and the Word has to become One.

God will put us in a spot where someone's

For the Word of God is quick, and powerful, and sharper than any two-edged sword, piercing even to the dividing asunder of soul and spirit, and of the joints and marrow, and is a discerner of the thoughts and intents of the heart. Hebrews 4:12

life is in the balance, and we're not quite sure of what to say to them. **That's a test.** You don't wait until the water line in your house breaks to get homeowners insurance. You don't wait until you get into an auto accident before you invest in auto insurance. You don't wait until you're diagnosed with a fatal disease before you think about medical insurance. And so, we shouldn't wait to learn God's Word and allow those moments to pass, before we are able to share the Good News of SALVATION with someone!

There is an ancient story about three demons who were arguing over the best way to destroy the Christian mission in the world. **The first demon** says, "Let's tell all the Christians there is no heaven. Take away the reward

incentive and the mission will collapse." **The second demon** says, "Let's tell all the Christians there is no hell. Take away the fear of punishment and the mission will collapse." **The third demon** says, "There is one better way. Let's tell all the Christians that there is no hurry" and all three immediately said, "That's it! All we have to do is tell them there's no hurry and the whole Christian enterprise will collapse." The word says, "Behold, **now** is the accepted time; behold, **now** is the day of salvation [2 Corinthians 6:2b] (their salvation, the God will bring before you)."

It pays to be ready!!!

BE BLESSED !

DEVELOPING YOUR FELLOWSHIP WITH GOD

The Father, Son, and Holy Spirit invites you to commune with Him. He truly desires to bless you, if you desire it. However, I must warn you, to receive anything from God, you have to put something in, meaning yourself.

You ready to lay at the altar of His feet, where you lower yourself to the point of humbling, and being broken, and, dying to self?

You ready to climb to His bosom of trust, and rest, where your control leaves, and his gentleness takes over?

Are you ready to meet God face to face, up close and personal, where your spirit comes alive with revelation power?

Do you really want to have intimacy with the God of the Universe, your Creator?

Do you really want God to show up? I'm not just talking about you doing all the talking, not about music where you feel good, not about programs, who can organize the best program or raise the most money, or build the biggest or ultimate sanctuary.

It's a personal communion of his presence with you, the one He loves. When it happens, it's like no one else is in the room with you. You are the bride and He is the groom and His love is able to spread beyond thoughts.

When the priest had to go into the temple to present themselves to the Lord for the sins of the people, they had to first consecrate themselves, be set apart for God's service, for us.

We also have to be set apart. This is a marriage with you and God.

Jesus came to earth that men might have fellowship with God the Father, with Himself, and with one another. It means that God is not far off in outer space or that He is disinterested and uncaring about what happens to man.

God has not left us to fend for ourselves upon earth with nothing but death and the grave to look forward to. The very opposite is true. God has revealed Himself in the Lord Jesus Christ, and has shown us that He deeply loves and cares for us, and that He wants us to fellowship with Him.

However, there are times when we as Christians struggle to commune. Many times a negative influence or a lack of positive authority in our lives by an earthly father has occurred which has caused many to shy away from the heavenly Father. Also being too busy to take time; Overlooking who woke us up that morning; Lack of desire for Him. Sadly, bondage occurs, robbing us of an incredible relationship with the Father.

We have got to realize that we can trust the heavenly Father and He is not like any other father we've known. He will not leave us nor forsake us. He will keep his promises. He is available anytime and anywhere we need Him. He has given **His** life to save **our** soul. His words gently soothes us. And our faith will increase in Him and it is our faith that overcomes the world....[1 John 5:4]

Fellowship is sharing a common life. When we have fellowship with Jesus, we will become more and more like Him. We don't add Jesus to our life. We enter into a relationship of a shared life with Jesus. We share our life with Him, and He shares His life with us and we cannot withhold the joy. *These things I have spoken to you, that **My** joy may remain in you, and that your joy may be full.* (John 15:11)

We have got to remember, sin breaks fellowship with the Father, with the Son, and with one another. *"If a man loves Me, he will keep My words--and My Father will love him, and **We** will come unto him, and make our abode with him."* John 14:23.

Sin is the hindrance to fellowship and the blood of Jesus, received by faith as the payment for our sin, solves the problem of sin and opens the way to fellowship with God The Father. You can only come to fellowship with God by dealing with your sin problem through the blood of Jesus and repentance of your sins.

Are you ready now ?

To begin your fellowship of intimacy ?

- Find a quiet place,
- Through prayer deal with any sin in your heart by acknowledging it, re-

Con't: DEVELOPING YOUR FELLOWSHIP WITH GOD

- pening of the sin before a Holy God, and then casting every care upon the Lord,
- "Father I desire to fellowship with You, teach me,"
- Begin to desire Him with all your heart, soul, mind, body, and strength by faith,
- Simply talk to God in prayer about everything, knowing He has already done the finished work in your life on the cross. You will automatically begin to bless Him by thanking and praising Him,
- Having a broken heart and contrite spirit (Ps.34:18), not prideful but broken and crushed, because you are before a Holy God always remembering what He's done on the cross for you, always remembering you can't do anything on your own or without Him; It's Shouting Time! Thank you Lord!
- Passages in the bible or an article

of encouragement you're reading, meditate on it with a hungry heart desiring His wisdom,

- Praise and Thank God every chance you get,
- Lean not to your own understand-

Fellowship is a Progressive routine with God !

Stagnation is a False routine, remaining the same without God !

ing, but believe by faith that He's there with you,

- Trust Him with everything in your life because **He is** your Father.
- "Lord open my ears to hear You and my heart to receive. (Now tell your wondering mind to quieten and be at peace," (Your mind can be loud but God's voice may be a whisper).
- "I'm in anticipation to hear and I

surrender to You Lord,"

- Don't be in a hurry to leave His presence when you don't hear anything,

Sometimes God doesn't say anything, but when He does, have pencil and paper to write it down.

Your fellowship will grow as you continue, it will be stagnant when you stop. He is the light of your life, and you will light up with that spark, when there is fellowship with you and the Father !

Tears will be flowing because you feel His love and your heart will be overjoyed.

- Everyday, you will begin to put into practice of going to that quiet place of reverence and fellowship with Him. Make it apart of your daily routine and see what God desires, instead of what you desire all the time.

HE'S WAITING !!!

GOD BLESS !!!
